

The Garden City in the Heart of Niagara

## **PERMANENT FAMILY MEDICINE -OFFICE ONLY**

**Location:** Garden City Family Health Team  
145 Carlton Street, St. Catharines

We are a group of 7 family physicians located at three sites in St. Catharines. We currently have office space at our main site (where 5 doctors practice) for two more physicians to join - one full-time and one part-time.

**Position Description:** We are a teaching practice affiliated with McMaster University. Our work is supported by an allied health team (3 NPs, 2 dietitians, 2 social workers, 1 pharmacist, 1 psychiatrist (as of July 2008)) and a Dedicated office staff. The current office staff can accommodate the addition of two new doctors.

We have been using NetMedical for the past few years and our offices are equipped with iMacs.

Our clinic has successfully recruited two recent graduates in the past two years.

All 7 physicians in the group have at least courtesy privileges at the St. Catharines General Hospital, while three maintain active admitting privileges.

**Call Arrangements:** When we reach our full complement of physicians, we would take 1 in 8 weekend (Fri-Sun) call and 1 in 8 weekday (Mon-Thurs) call. Weekend call involves working the Saturday clinic and rounding on in-patients (for those with admitting privileges). Weekday call involves working the evening clinic.

**Patient Volume:** Our doctors generally see between 20 and 30 patients per day.

**Compensation:** Blended FHN (Family Health Network) Please ask us about our incentive program for new graduates on Income Stabilization.

**Teaching Opportunity:** Yes

We are affiliated with McMaster University's Department of Family Medicine. We take clinical clerks and family medicine residents.

**Research Opportunity:** Yes

**UAP designated?** Yes -Free tuition, Incentive grant

Position eligible for UAP Community Assessment Visit Program: Yes

**Positions available:** 2

**Vacation Details:** 6 weeks per year.

Successful applicant must speak: English
