

FAMILY PHYSICIANS Department of Family Medicine

St. Catharines, Ontario In the Heart of Niagara

The Department of Family Medicine is seeking full-time Family Physicians to practice at our 22 Ontario Street Clinic. Located in downtown St. Catharines, this clinic will serve as the new teaching site of the Department of Family Medicine and the Niagara Regional Campus of McMaster's Michael G. DeGroot School of Medicine. In addition to their clinical role, the successful applicants will be responsible for teaching residents, and medical students.

The Department of Family Medicine at McMaster University is committed to providing our medical students and residents with the best possible training program, to prepare them for a future practice in Family Medicine. To meet the needs of our residents and the communities that we serve, we will be further expanding our community based teaching program in the Niagara region. Located in the beautiful Niagara escarpment, this opportunity will provide the incumbents with a professionally rich work environment, in addition to a rich array of cultural and recreational activities.

Individuals with existing practices or those wanting to start a Comprehensive Family Medicine practice in St. Catharines are encouraged to apply

Educational leadership roles will also be available within the clinic and can be discussed with interested applicants. Hospital privileges with the Niagara Health System and an academic appointment with McMaster University will be required of any successful candidates.

As a successful candidate, you must have a CCFP and a license to practice in Ontario

For a complete position description, please visit our website at <http://fammedmcmaster.ca/>

Interested candidates should forward their curriculum vitae to:

Dr. David Price
Chair, Department of Family Medicine
McMaster University
